Generally speaking contacts would also not work for you during this period, though some female colleagues or associate would try to promote your professional attainments. It would be better to rely mainly on your own skill and efforts. A month during which you would have to make a good deal of effort to keep going.

### **Prediction For December 2020**

Nothing very favourable about the professional prospects during the coming month. The gains you set out to realize would in all probability elude you and this despite the fact that you would work exceptionally hard for success.
