Education, Mother, Conveyance & Property

At the time of your birth, the Capricorn sign was rising in the fourth house. The broad pattern indicated by this is that you will have the benefit of a superlative mother who will be the pillar of the family. It is because of her efforts that you will be able to prosper in life.

Your mother will handle the domestic affairs very competently, attending to each and every requirement of all the members of the family. It is because of non-stop slogging that her health may deteriorate in middle age when she needs to be looked after with affection and tenderness. She will get well after some time.

There are bright chances of your securing your share of the ancestral property, but it will be involved in some problems and disputes. A stage may come when you may even toy with the idea of surrendering your portion. In any event, you won't retain the property as you may sell it away because you would be living far away from your native place.

Intelligent, well educated and hard working, you will make a success of your professional job and own a conveyance and house which will be attractively furnished. You can acquire good academic qualifications especially in mathematics, statistics or psychology for which you have a bent of mind. You may come to have some intuitive power as you are interested in Mantra, Tantra, the occult sciences and astrology.

There is a hint that in your old age you may either suffer from asthma or affliction of the lungs. So, keep clear of liquor and cigarette.
