Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. Personality Analysis

Sample

At the time of your birth Libra Ascendant (Lagna) was on the rise with Scorpio Navamsa and Libra Dreskana in the fourth Pad of Chitra indicating that you are a person always interested only in pleasure, especially sexual pleasure. You are so obsessed with enjoying the company of your spouse that you may go to the extent of studying and, if possible, mastering Kamasutra!

Whether at work or at home, you will mostly be thinking about your very inviting bedroom. You love and adore your spouse and will go to any length to keep your spouse attractive, comfortable and happy. Since you will be so devoted to your partner, you will have to make sure to get an ideal partner. You would do well to choose one from the Aquarius or the Gemini signs, avoiding a Cancer, Capricorn or Pisces born person. This is essential for you to have a harmonious life at home. If by chance you can't get a partner with whom you don't have the same wavelength, you will feel miserable. Even in such an eventuality you won't desert your associate but manage somehow.

The other area of your interest in life is regarding friends. You desire having good friends for whom you will always be prepared to do anything. On their part they will stand by you. In fact friends can be said to form your backbone.

Both Libra and Chitra promise you with all advantages and benefits but there is a hitch insofar as Scorpio Navamsa is concerned. According to the last one, you may encounter difficulties regarding your limbs and suffer from diseases and you won't be rich. Hence it is essential you make earnest and all-out efforts to offset any evil effect that may be lurking. To the extent possible, try to observe fast every Tuesday which will help you.

A dynamic individual, well learned with the ability to make a good impression on the powers that be, you surely have the qualities necessary to make a success of anything you take up. Determined, hard work can yield rich dividends in the form of money and other material benefits. Here you should give up the habit of combining business and pleasure, and reduce the quantum of time you spend in love-making and sex.

You can and should emerge right on top as you know how to talk effectively and influence influential government officials. You can take up professions like transport, chemist and contracts.

You will be a good mixer and popular in any company. You are given to be happy, enjoying jokes and approaching matters patiently but of and on you may lose your temper. And when that happens, you may become violent, bent upon teaching a lesson to your adversary. Better check that tendency.

Be cautious in your spending habits. Aspiring for the finest things in life you may spend a lot which in turn may affect your financial condition in your old age. Keep a tight control over your purse so that you can lead a life of luxury throughout.

The lucky days for you are Friday and Saturday whereas Wednesday is average. The other four days are not too favourable as they will prove expensive.

Opt for numbers 1, 2, 4, 7 and 8, keeping off 3, 5, 6 and 9 which are not harmonious.

Colours green and yellow are detrimental to your interests. Make white, red and orange your favourites as they favour you.

Demo

At the time of your birth, Gemini Ascendant (Lagna) was rising with Capricorn Navamsa and Libra Dreskana in the second Pad of Ardra, signifying a rather split personality:

While on the one hand you will make determined efforts to cover others' properties, on the other, persons more intelligent than you make a bid to exploit you. How these two irreconcilable features work out is anybody's guess.

You are a very smart and well read person with an artistic bent of mind. You enjoy music and dance and derive pleasure in impressing others with your witty talk. Consequently, you could rise to great heights in any sphere, but the snag is you don't pursue anything with determination and give up jobs midway through and cross over to other areas. This is a major drawback which has got to be overcome if you aspire to make it big.

Another negative quality about which you have to be careful is your irascible temper. You lose your patience very quickly as you are a person who can't stand delay of any sort. That is why you don't have any permanent friends as they desert you because of your short temper. Also, they find it difficult to understand you because more often than not you give the impression of indulging in double talk-saying one thing for public consumption, while actually meaning something else.

Of a lean and upright stature with a dark complexion, you prove a hit with members of the opposite sex due to your attractive eyes and interesting talk. This results in your having many affairs and suffering much misfortune because of romantic misadventures. At home, you want to be the domineering partner, bossing over your spouse. You expect spouse not to take seriously your sexual exploits. But if the partner does, then you will go to the extent of walking out. A way out of this would be to select your partner with care. Gemini's are best suited for persons born under the Leo, Aries, Libra or Aquarius signs. If you select a proper mate, not only will you have a peaceful home but you will also be blessed with good offsprings.

In spite of various hurdles in the way, you will enjoy a bright period from the age of 25.

Though your health will be generally good, you would do well to take steps in advance to prevent diseases like asthma, cough and diphtheria worrying you as you grow old.

The lucky days for you are Wednesday and Friday, Saturday is average. The other four days are not too favourable as they will prove expensive.

The numbers which vibrate in your favour are 7 and 3, but those which don't go well with you are 4 and 8.

The colours that suit you are purple, blue, green, yellow and pink. Keep off red and black.

Physique, Health & Nature

Born under the Libra sign, you will have a well-formed body, which will be slender in youth but as age advances it may become stout. Tall, your smooth silky hair enhances your good looks. Many Liberians have dimpled cheeks, providing an extra edge to their captivating smile. A youthful appearance proves to be a hit with the opposite sex.

A person having a good physical structure does not necessarily mean he/she will enjoy robust health all the time.

It is love making that has the pride of place in your nature. Whether at work, at home or parties, the foremost thought in your mind all the time is sex. You are a passionate lover, operating simultaneously on two fronts - the domestic sphere and other pastures. Yet, you will manage to have a balanced homely life.

Courteous and hospitable, you always want to catch the eye of people particularly those of the other sex. That is why you display charming manners, laughing and smiling. Fond of beauty in all things, you would want to dress well, use perfume and decorate your abode with modern furniture. You attach much importance to a neat home as you desire inviting friends for parties. For you, life won't be interesting without friends. To make sure that your desire is fulfilled, you will have to learn to control your temper. Otherwise, you will stand to lose the association of influential and large-hearted people. This would amount to a near disaster, because it is only through such people that you can hope to amass a fortune.

Liberians are tend to have infections disease so they must be extra-careful. They must avoid over-indulgence in sex.

Education, Mother, Conveyence & Property

Sample

At the time of your birth, the Capricorn sign was rising in the fourth house. The broad pattern indicated by this is that you will have the benefit of a superlative mother who will be the pillar of the family. It is because of her efforts that you will be able to prosper in life.

Your mother will handle the domestic affairs very competently, attending to each and every requirement of all the members of the family. It is because of non-stop slogging that her health may deteriorate in middle age when she needs to be looked after with affection and tenderness. She will get well after some time.

There are bright chances of your securing your share of the ancestral property, but it will be involved in some problems and disputes. A stage may come when you may even toy with the idea of surrendering your portion. In any event, you won't retain the property as you may sell it away because you would be living far away from your native place.

Intelligent, well educated and hard working, you will make a success of your professional job and own a conveyance and house which will be attractively furnished. You can acquire good academic qualifications especially in mathematics, statistics or psychology for which you have a bent of mind. You may come to have some intuitive power as you are interested in Mantra, Tantra, the occult sciences and astrology.

There is a hint that in your old age you may either suffer from asthma or affliction of the lungs. So, keep clear of liquor and cigarette.

Demo

The overall picture presented by the Virgo sign rising in the fourth house at the time of one's birth is indeed very rosy. It holds out promise of a comfortable life of plenty and pleasure. But the thing to be borne in mind is that if the promise materialises, it will be mainly because of the backing and blessings of one's mother.

The position is that you are likely to have an intelligent, hard-working mother whose sole ambition is the progress of her children. But it is not easy to spot her sincerity since the lady doesn't display her deep emotions openly. That is the

reason that in spite of possessing sterling qualities, she finds it difficult to please her husband.

It is because of the good offices of your mother that you may come to possess a part of your ancestral property, including landed assets. The odds are you will have the benefit of owning your own vehicle and residence too. Your abode will have to be quite impressive as you are an individual who won't be satisfied either with a small house or a small job.

It is better to rest content with the wealth at your disposal instead of being too avaricious. You may have the urge to go after even more riches and consequently try to unearth some hidden treasure or the other. Suppress that temptation as it will be a sheer waste of time.

Overcoming minor hurdles, you will manage to complete your academic course and later widen your knowledge by studying various subjects.

Health wise you should be okay, but you may spoil it by your own actions. Care is needed on that front, as you may invite problems connected with the lungs by overindulgence in drinks and excessive smoking. You will be fine if you remain a teetotaler.

Sagittarius being a dual sign in the seventh house, you will experience a mixed fortune in life, be it in the professional sphere or in the domestic set-up. But it is the latter that is more important to you. as you firmly believe that the maximum pleasure lies in romance than in anything else.

Pinning faith on the dictum that variety is the spice of life, you will try to derive as much enjoyment as possible even if it means being unfaithful to your spouse. The only check that can be applied on you in this regard will be by a mate who can strike a common wavelength with you. On your part, you can give up the wayward path if you select a spouse from the Libra, Aquarius, Aries or Leo signs.

Even if you get a perfect partner, you won't be prepared to compromise on your freedom and insist on being the boss all the time. You will resent any criticism of any of your actions by your spouse.
