Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

You belong to the select band of Vargottam, as per the astrological configuration of Pisces Ascendant (Lagna) rising with Pisces Navamsa and Scorpio Dreskana in the fourth Pad of Revati at the time of your birth. This means you will lead a superb life, enjoying health, wealth, happiness and near contentment.

In fact, living will be so good that as you grow older, you will start thinking in terms of renunciation of worldly things and evince a keen interest in religion, philosophy and the occult sciences. You will try to live up to your birth sign of Pisces, which is also known as the sign of "Moksha" or salvation. The uppermost thought in your mind will be how to live like a model human, rendering service to people, so that you can achieve emancipation of the soul, free from the cycle of birth and death.

Almost throughout your existence, you will display high qualities. You will be dutiful to your parents, visit holy places and serve saints, and donate liberally to charity. No doubt, you will earn plenty but in a straight-forward and decent way. You won't covens others' property, but amass riches by dint of sheer hard work and dedication. You will be a popular figure, cheerful and ever willing to extend a helping hand to all those who approach you. A happy, harmonious home is assured to you, as you will be blessed with an understanding spouse and bright children.

There is, however, one discordant note. That is: Your 17th, 21st and 24th years may not be as lucky as the others. You may encounter problems of one kind or another during those periods. Hence it would be advisable for you to be cautiously at those times.

Your health will be pretty good, but in later years you may be prone to diseases like intestinal ulcers and nephritis if you take to liquor. So lay off the

You are more at home with science and mathematics, especially in their practical applications, than with writing, literature and art.

You tend to change your opinions quite slowly, not because you are dull witted but because you are so cautious.

As far as religion is concerned, Saturn takes away your interest in holy places and makes you least interested in visiting holy places and temples.

People born when Aries Ascendant was rising, will generally have a lean, yet muscular body of medium stature, they don't have the tendency to put on weight, which gives them a compact figure of ruddy complexion, they have an oval face sporting bushy eyebrows. Invariably they have eyes of gray or grayish brown colour. A mark or scar on the head or on either side of the temples is a distinct possibility.

Arians enjoy good health and have an inbuilt constitution having the power to resist diseases. They can remain fit if they stick to vegetarian food and abstain from intoxicating drinks. But since they are prone to injuries, they should be extremely careful in their movements, failing which they run the risk of an accident, particularly to the head. They should have adequate rest and sleep, and cultivate the habit of giving rest to their tense nerves.

This is essential, as by nature Arians are action-oriented, ever ready to fight against adversities. Having a spirit of independence, they will go all out to defend their rights and resist injustice. Simple, straightforward and outspoken, they have charming manners which attract the opposite sex. Ardent in love making, they shower ever-lasting affection on their spouse. Only, they should curb their desire to be the dominant partner at home. Their ties with their relatives will not be too strong and often they have strained relationships.

Life will be one of continuous struggle, with varying fortunes. There will be no dearth of enemies, but Arians are capable of conquering them. Because of their aggressive nature, they will shine in executive posts.

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toying a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.

So, you will have to exercise tact and patience to avoid playing the second fiddle at home. To get a partner who will come up to your expectations you would do well to look for one belonging to the Libra, Sagittarius or Leo signs. Then you both will be a couple with a common wavelength.

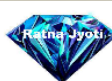

Your marital relations will be quite good, especially because your spouse, very much interested in maintaining the family prestige, will turn out to be a good host. But in any gathering, you will have to think twice before praising others in front of your spouse. The latter will be too proud and jealous to tolerate boosting of others.

Hence, both of you will have to cultivate the savings habit so that you don't feel the pinch of money in your old age. As it is, your expenses will be on the high side as your spouse expects you look to after the entire family well by meeting all their requirements.

Profession, Father, Status & Power

The normal trend is that anyone born when the Capricorn sign was rising in the tenth house will be simultaneously working at more than one place, primarily to earn more money. But there can also be another reason for it. Which is : The native, ever desirous of a change, will be wanting to shift and hop as frequently as possible. In this, one can be said to be lucky as there is a wide range of professions to choose from.

You can select an occupation connected with law, teaching, sports goods, iron and steel, factories in general, oils, land, contracts in the irrigation and agricultural sectors, or animals. But you will have to be very cautious about one thing and that is you should make sure not to sustain financial losses through impulsive actions and rash investments. If you play safe and go about your job after doing the necessary homework, you may hope to succeed.

In all your actions, you would do well to follow in the footsteps of your father, an honest and straightforward individual ever eager to toe a righteous path. Intelligent, endowed with a sound reasoning faculty and an elephantine memory, he has the inherent power to read others thoughts. This, naturally, gives him the advantage of planning his moves adroitly. It is due to his commendable qualities that he attracts many close and reliable friends who will sacrifice anything to render him assistance in times of need.

A highly favourable trend is denoted by the stationing of Venus in Capricorn in the tenth house. You will be lucky enough to find a trustworthy partner in whose association you can be optimistic of securing increased gains in your occupation. You may even succeed in securing favours from the government.

You can consider yourself doubly fortunate as your father, living up to a ripe age, will immensely enjoy your progress.

being an administrative or liaison officer in government or a public sector corporation, or becoming a lecturer. If the native is inclined to enter into business, then it would be advisable to deal in oils, soft drinks, beverages, chemicals, medical equipment or cosmetics.

But keep clear of politics, of any kind. If not, you may invite trouble. This aspect needs to be stressed, as there are hints that you may take an active part in office politics which will not bring beneficial results, but actually retard your progress.

In the event of finding yourself in the midst of a controversy, avoid getting into litigation, as it will be counterproductive.

You are lucky to have a good father whose qualities are worthy of emulation. He is free, frank and fearless, and goes about his work in a planned manner. He is also sympathetic to others feelings and will be generous and charitable.

Unfortunately, in your case, the presence of Saturn in Sagittarius in the tenth house spells a lot of trouble in almost all walks of life. Even with your father, you may not have a good equation which may result in having to face trouble from him. In service you will be ill treated by your superiors and you won't be able to complete your scheduled term. Consequently, you may be forced to take up any job, even a menial one. The middle part of your life is likely to be beset with the maximum amount of difficulties. You have got to think coolly about all these and work out a proper strategy, effecting the necessary changes in your nature, so that you will have a less turbulent time and lead a comparatively easier life.
